

# Mokuoane Sidney Ramphalile

I am an optimistic, ambitious, hardworking individual with a great passion for people. I have excellent communication skills. I am an Electrical Engineering graduate with a keen interest in technology. I am establishing myself as a competent and skilled engineer, to strive to uphold the good image of the organization, to always execute my duties in a responsible, punctual, and loyal manner, to develop my knowledge within the Environmental Sector and all areas of expertise, skills, and experience to further the objectives of my employer and to contribute effectively to the function of the organization that I work for through efficient and effective dedication to my work.

## Education and Qualifications
